Parent Council Policy

Rationale

The Kingdom School (KS) Parent Council is a group of parents selected by members of the parent community to represent the school. The KS operates with two councils: Girls' Campus Parent Council, and a Boys' Campus Parent Council.

Purpose

The purpose of the KS Council is to develop united efforts between educators and the school community at large, and to ensure all KS students receive the highest advantages in intellectual, physical, emotional, and social education wellbeing, and spiritual awareness. The Council plays an important role in ensuring KS students' education is enriched by their parents' valuable life experiences, personal skills, and unique knowledge of their children.

KS Parent Council shares ideas and feedback to support school development. However, ultimately, the school leadership team is responsible for decision-making and the management of all aspects of the school.

Role of KS Parent Council

Parents play an essential role both in their own child's learning and in their school. The Parent Council helps parents become more actively and effectively involved in their children's education. The Parent Council and KS have a mutual commitment to seek parents' views and ideas, and to ensure that this input makes a significant difference to the daily work and life of the school.

The Parent Council:

- Fosters parent-school-community cooperation, communication, inclusion & partnership
- Creates an environment where all parents know that their views matter, and where they feel confident and comfortable putting them forward
- Provides a voice for parents on issues that are important to the school community
- Provides information on how to effectively involve parents in their children's learning and school life
- Supports KS and School Leadership Team (SLT) in developing effective and strong home/school partnerships
- Support KS in its development and improvement, and in connecting with the greater community
- Expresses parent views on existing school policies and encourage the proposal of new policies
- Formulate KS priorities for improvement (KS Improvement Plan)
- Works closely with the SLT to meet school improvement targets, shares ideas, problem-solve & provide feedback about community issues
- Captures the unique and varied skills, interests, knowledge, and experience parents offer
- Supports KS academic pursuits and extracurricular student activities (ECAs)
- Participates, as necessary, with school administration to provide suggestions for existing educational programs or for the adoption of new programs, which may be responsive to the changing needs of the KS student body
