COMMUNICATION@REDIKER

ATTENDANCE

We will continue to utilize Rediker to keep track of daily & period attendance. It's our goal that each student is motivated and excited to attend school and arrive on time. We'll keep you informed of your child's attendance throughout the year.

Attendance information is also provided on all quarterly report cards. Thank you in advance for helping your child to arrive to school on time and attend every day!

STUDENT PROGRESS

Rediker hosts a teacher gradebook tool – the place where teachers enter student grades on classwork and assessments to determine student progress. As teachers 'post' grades, parents log on to see their child's progress. This allows a parent to have instant access to their child's academic information.

Rediker generates our KS report cards. Each quarter (KG – quarters 2, 3, & 4) report cards will be sent home.

PARENT COMMUNICATION

The Rediker discipline and parent portal component are also utilized. This allows parents to access a 'one-stop-shop' for student information.

Parent login emails will be generated and sent out on Sunday, September 2, 2018. Please check your email and junk mail, and follow the directions to create your Rediker Parent Portal access account. Thank you!

What's the Scoop on Learning?

TEXTBOOKS

Kingdom School will continue to utilize Pearson textbooks - one of many resources to help our students successfully meet the Common Core State Standards. Here's a breakdown of what is provided to students:

- Preschool & KG1: Pandy and Friends phonemic awareness and phonics early literacy series
- KG2: Reading Street Literacy, EnVision Math, & Interactive Science
- Grades 1-6: Reading Street Literacy, EnVision Math, & Interactive Science
- Grades 7-8: My Perspectives Literacy, EnVision Math, & Interactive Science
- Grade 9: My Perspectives Literacy, EnVision Math/Algebra I, other subject area textbooks
- Grades 10-12: My Perspectives Literacy and previously other subject area textbooks

Students will receive one login account from Pearson, which will allow online access to all textbooks and accompanying resources. This means all resources are readily available through a computer, laptop, and/or tablet.

Although we highly discourage 'textbooks traveling to and from school', it is certainly your option to request your child to bring his/her textbooks to/from school. Please remember, textbooks are very heavy and can easily weigh down a backpack. Again, all resources are available online for easy and convenient access. Thank you.

MAP TESTING

MAP Beginning-Of-Year (BOY) testing will begin during week 2 of school – Sunday, September 9, 2018.

To ensure that student performance on standardized tests such as MAP, accurately reflects what they know and are able to do, there are three healthy habits that can help your child get ready for tests: short bursts of exercise, getting enough sleep, and eating breakfast. Thank you!
